Dear Mr. *Mort* Ames:

I have am faxing a copy and am enclosing two copies of a report regarding U.S. EPA's preliminary survey of the anomalous radioactive area at Navy Pier. Thank you for forwarding the report to your contacts at the Metropolitan Pier and Exposition Authority, Renee Benjamin and David Winter. If there are any technical questions, please direct them to health physicist, Larry Jensen (886-5026), or to either On-Scene Coordinator, Verneta Simon (886-3601) or Fred Micke (886-5123).

Sincerely,

Mary L. Fulghum
Associate Regional Counsel
